CHILDREN'S ACTIVITIES

Scheduled Events

REPCO Wildlife: Michigan's premier wildlife and reptile show promotes Research, Education, Propagation, Conservation and Outreach (REPCO) and a chance for children to learn and interact with the animals during this Reptile Adventure.

Nutty Scientist: The leading provider of interactive programs for children of all ages related to science, technology, engineering, and mathematics (STEM) learning. Since 1996 they have developed appropriate activities for children that promote their interest in science and its impact on the world today. The innovative Nutty Scientists teaching techniques and curriculum is an effective way to get kids excited about science. Fostering the minds of today's youth through hands-on activities and interactive activities, Nutty Scientists Southeast Michigan is a great benefit to the families and children of the greater Michigan community.

Bugs on Wheels: Nadia, the bug lady, will share her passion with both children and adults so that they can better understand and appreciate how amazing, important, and not-so-scary these creatures really are.

All Day Offerings

Lavender Playdough & Bubbles: Stop by and take home a free sample!

Coloring Contest: Show off your coloring skills and be entered to win 4 day passes to Blake's Funland.

Face Painting: Visit the Little Stage Faces booth for FREE face painting!

Funland: FREE access all day everyday!
