U-PICK GUIDELINES

**As one of the first u-pick orchards in Michigan,
we pride ourselves on offering the freshest produce around.**

**Enjoy the outdoors and experience picking the
freshest fruits and vegetables straight from the source.**

- Please, no picnicking, outside food or pets.
- All in-season fruits and vegetables will be marked. Only pick produce in designated marked areas.
- \$20 minimum purchase for every vehicle that enters the orchard.
- Do not pick blossoms or unripe produce. Customers will be charged \$5/lb. for any produce that is not in season.
- You may sample the produce in the field at your own risk. Produce should be washed prior to eating.
- Please keep your fruit and vegetables in separate bags. If they are mixed, you will be charged the higher amount upon checkout.
- Drive slowly and watch for pedestrians.
- Upon exiting the farm, we will need to check all of the compartments of your vehicle including your trunk.
- Please park in designated parking areas and avoid parking on crops.
- Please do not climb on any trees or damage any crops.
- Please do not throw produce.
